The following changes will occur on Green Street and Fairmont Street for approximately three (3) days, beginning Tuesday, November 30, 2004, due to the building demolition at the corner of Green Street and Albany Avenue:

- **Green Street will be closed to traffic from Fairmont Street to Albany Avenue;**
- The traffic pattern on **Fairmont Street, between Brook Street and Green Street**, will be reversed so that **all traffic must travel one-way westbound** (i.e., from Green Street to Brook Street);
- Continue to park only on the south side of Fairmont Street.

After work is completed the traffic pattern on Fairmont Street will return to one-way eastbound (i.e., Brook Street to Green Street).
